

## DC-AC SPANNINGSOMVORMERS/ DC-AC POWER INVERTERS

### DC-AC spanningsomvormers

- Ideaal voor mobiel gebruik in auto's, campers, etc. om 230V apparaten te kunnen gebruiken
- De omvormers genereren, van een 12V accu, een AC spanning van 230V
- Met ingebouwde ventilator
- Incl. beveiliging tegen over- en onderspanning, oververhitting en kortsluiting
- Alle omvormers zijn TÜV getest en CE gecertificeerd

### DC-AC power inverters

- Ideal for mobile use in cars, campers, etc. to use 230V devices
- The inverters generate, from a 12V battery, an AC voltage of 230V
- With build in cooling fan
- Incl. protection against overvoltage, undervoltage, overheating and short circuits
- All inverters are TÜV tested en CE certified
